Would your organization or business like to decorate a tree?

You may use a theme or just your vivid imagination.

There is no charge to participate and you get to keep your tree and decorations, which may be removed after December 5th.

Feel free to leave business cards or coupons under or by your tree for those interested in your business or organization to take with them.

If you wish, you may leave your tree in the Falcon Civic Center through Christmas for the enjoyment of the Senior Dining Program.
