

CENTRAL CITY MAINSTREET VOLUNTEER SIGNUP

Yes, I want to join the fun and volunteer for Central City Mainstreet.

Central City Mainstreet volunteers are divided into four working committees. These committees meet once a month and all the committees have other times or events they meet for. The four committees are:

Business Improvement: This element involves diversifying the downtown economy by identifying potential market niches, finding new uses for vacant or underused spaces and improving business practices.

Design: Utilizing appropriate design concepts, the visual quality of the downtown (buildings, signs, window displays, landscaping and environment) this committee works to enhance the visual appeal of downtown.

Organization: Brings together the public sector, private groups and individual citizens to work together more actively in the downtown. Promotes the organization and works on fund raising.

Promotion: By promoting the downtown in a positive manner, a community can begin to focus on downtown as a source of community. Promotion works on promotional events such as C C Rider and the Farmers Market.

Which committee are you interested in? Not sure, tell us your interests and skills and we will try to match you up with the committee best suited to your interests. The number one priority is for our volunteers to have fun while building a stronger more attractive community.
